

Dear Utility Customer:

The Manning Municipal Utilities are installing fiber equipment at every location in Manning. During the next few months, MMU crews will need to install this new equipment at your residence and/or business. In order to make this transition as smooth as possible we ask that you provide us with the contact information below by May 10, 2020. You may do this one of three ways:

- 1) fill out this sheet and return it with your utility bill payment to City Hall
- 2) call us at 712-655-2660
- 3) e-mail it to beth@manningia.com with the word "Fiber" in the subject line

We will use this information to coordinate your new fiber equipment installation. The contact information provided will also be used if we need to contact you about outages or service interruptions. For this reason, you may want to consider providing a cell or work phone number. If you have any questions, feel free to call Manning Municipal Utilities at 712-655-2660.

Thank you!

NAME: _____

ADDRESS: _____

PHONE: _____

E-MAIL ADDRESS: _____

Manning Municipal Utilities will not enter any residence or business to install new fiber equipment without someone 18 years or older present at the location during the installation.

REQUIRED:

Please list the best time someone 18 years of age or older will be home to have your new fiber equipment installed:
