Water Deposit (\$150): _____

Electric Deposit (\$100): _____

Gas Deposit (\$100): _____

A deposit intended to guarantee payment of bills is required for service connection unless the applicant has provided a satisfactory letter of credit from a previous utility (letter of credit only applies to electric service). A new or additional deposit may be subsequently required if the deposit is refunded or found insufficient and the account becomes marked by untimely payments.

The amount of deposit shall be determined in accordance with the utility's service rules and applicable rules of the Iowa State Commerce Commission.

The electric and gas deposits shall be applied to the customer's account after twelve consecutive months of prompt payment. Water deposit will be refunded after the account is final billed.

Should you have questions about the deposit or some other aspect of your utility service, please call the number listed above. A copy of the utility's service tariff (operating rules) is available for inspection at our office. These rules are subject to change from time to time and are filed with the Iowa State Commerce Commission, which regulates many aspects of municipal utilities service not directly related to rates. Matters pertaining to rates are under the exclusive jurisdiction of the utility's local governing body.
