OCTOBER 2024

MMU HELPS LAUNCH THE NEW CONSTRUCTION TRADES CLASS!

MMU is proud to announce the launch of a new Construction Trades class, developed in partnership with the IKM-Manning School District. This initiative aims to enhance trade-based education by providing students with hands-on experience and essential skills in the construction industry. Through this collaboration we are committed to preparing the next generation of skilled tradespeople, fostering career readiness and supporting local workforce development. IKM-Manning's Building Tech 2 class, instructed by Pete Croghan is building a new home in the Stadium View subdivision. Plans are to finish the home by spring and sell it to continue building the program. "This course will help students gain the knowledge necessary to build a house from the ground up," Principal Nolan Shanks commented. "We hope these students will become future leaders within our communities' industries."

Add a "PS"

To help a neighbor

"PS" is Project Share - a program that assists needy households in paying their winter energy bills. You can help this effort by adding a regular Project Share contribution to your utility payment, or by making a direct donation to Project Share. These funds are distributed to your neighbors in need.

A local social service agency carefully identifies those residents who qualify, and a local committee oversees Project Share to guarantee that all contributions are handled equitably and efficiently.

Adding a "PS" - a Project Share contribution to your utility payment each month is a simple way to share some warmth with those who need it.

If your complaint is related to service disconnection, safety, or renewable energy and Manning Municipal Utilities does not resolve your complaint, you may request assistance from the Iowa Utilities Board by calling (515) 725-7321, or toll-free (877) 565-4450, by writing to 1375 E. Court Avenue, Room 69, Des Moines, Iowa 50319-0069, or by E-mail to customer@iub.iowa.gov

2024-2025 IOWA HOME ENERGY ASSISTANCE PROGRAM

ATTENTION: RESIDENTIAL CUSTOMERS NEED HELP WITH YOUR HEATING BILL?

The 2024-2025 Low-Income Home Energy Assistance Program (LIHEAP) has been established to help qualifying low-income Iowa homeowners and renters pay for a portion of their primary heating costs for the winter heating season. The assistance is based on household income, household size, type of fuel, and type of housing.

Low-Income Home Energy Assistance Program

Please Contact:
Carroll County Outreach Office
 23751 Hwy 30
 Carroll, IA 51401
 Call: (712) 792-9266

Please provide a copy of your most recent federal income tax return.

Note - Additional countable income and/or income verification not listed above may be required for eligibility determination

INDUSTRIAL TECH MMU partners with IKM-Manning.

This summer, Manning Municipal Utilities approached the IKM-Manning school administrators about partnering with the school to create a cutting-edge learning environment to support the development of 21st Century skills in the field of industrial technologies. Our hope is to continue investing in our programs and students. Through investing in our students, we are investing in our communities and their futures.

If you would like to be part of these exciting updates, you can make monetary donations to the Industrial Tech Renovation Fund. These donations can be sent to IKM-Manning CSD at 209 10th St., Manning, IA 51455.

MMU BOARD OF DIRECTORS RICK LOHRMANN RETIRES AFTER 26 YEARS OF SERVICE

In this edition of our newsletter, we celebrate Rick Lohrmann's remarkable 26 years of dedicated service to Manning Municipal Utilities. Throughout his tenure, Rick has been instrumental in fostering growth and stability within our community, demonstrating unwavering commitment and leadership. His contributions have shaped the utility into a reliable resource for our residents, and his legacy will undoubtedly inspire future generations. As we bid farewell to Rick, we also extend a warm welcome to John Lorenzen, who will be stepping in as his successor on the board. We look forward to John's fresh perspective and innovative ideas, confident that he will continue the vital work of enhancing our utility services for the benefit of all.
